Colorado finds the perfect balance between work and play. From work truck to the off-road-ready ZR2 and from technology to safety — not to mention three capable engines to choose from including the available GM-exclusive Duramax ® 2.8L Turbo-Diesel engine — it's the midsize truck that offers it all. It's important to carefully check the trims of the vehicle you're interested in to make sure that you're getting the features you want, or that you're not overpaying for features you don't need. Reintroduced for the 2015 model year, the Chevrolet Colorado continues to find a steady stream of buyers. Accordingly, Chevrolet has limited the updates for 2019 to few minor trim and tech items.
