Michael joined the team at MARR in 2018. He has 35+ years of experience in accounting and business ownership. With close family members who have suffered from addiction, he is keenly aware of the feeling of helplessness and hopelessness that arise in these situations, and he was drawn to MARR as a way to help individuals and families suffering from addiction get the help they need and restore ...Description. This free webinar will introduce the learner to the ideas and concepts behind both diagnosing and treating people with co-occurring disorders. Access to mental health care can be a real barrier to wellness for many people — especially those most in need of help. For this reason, MultiCare Behavioral Health is leading the way to bring a new model of mental health care delivery to our region: integrated health care. Addiction is a Family Disease. Stacey Williamson Nichols, LMSW, CAADC, offers a critical self-care reminder for families of the addicted and tips for working toward recovery together!
